## INTRODUCTORY

We present the *Akron City Directory* for 1906, confident that it will meet with the same degree of approval and appreciation which has been accorded our past issues. The directory is the only medium for showing the advance of the city in population and business from year to year, this year's issue is no exception and shows a substantial increase over 1905.

We have made a careful count of all names in Akron alphabetical list which will be found in the following table.

A - - - - - 803	K - - - - - 1488	T - - - - - 790
B - - - - - 2809	L - - - - - 1191	U - - - - - 73
C - - - - - 1882	Mc - - - - - 738	V - - - - - 274
D - - - - - 1239	M - - - - - 2098	W - - - - - 2120
E - - - - - 597	N - - - - - 477	X - - - - - 1
F - - - - - 1289	O - - - - - 340	Y - - - - - 151
G - - - - - 1374	P - - - - - 1094	Z - - - - - 247
H - - - - - 2781	Q - - - - - 25	
I - - - - - 109	R - - - - - 1536	Total, - - 29,679
J - - - - - 576	S - - - - - 3577	

Based on a conservative estimate, the above list would indicate a population of probably sixty thousand (60,000).

As heretofore we include a directory of Barberton and Cuyahoga Falls.

We hereby return thanks to the merchants, manufacturers and professional men for their continued, liberal support.

Respectfully  
THE BURCH DIRECTORY CO

We are the largest and most successful firm in the United States owning and operating our own mining and oil properties, and handling the securities of developed, producing, dividend-paying mining and oil companies of demonstrated value and merit. Our enterprises include such great successes as

### The Celebrated Murchie Gold Mine.

A property that is fabulously rich, that has produced over \$1,000,000, that is paying 9 per cent dividends and is fast developing into one of the greatest bullion producers of the west.

### The Famous Empire Mine.

One of California's largest mines and a steady dividend payer

### The California and New York Oil Companies, Consolidated.

Owning the wonderful 3,000-barrel gusher, the greatest oil well in the country, now paying regular 12 per cent dividends and the rate increasing rapidly

### THESE ARE SOMETHING DIFFERENT.
